To: Members of the President's Planning Committee for the Martin Luther King, Jr. Convocation

I want to sincerely thank each of you for the support and effort you devoted in planning the 1990 Martin Luther King, Jr. Convocation. The program and week's activities recognizing Dr. King were highly successful. As quoted in a local newspaper, this year's celebration was one of unity and cultural consciousness. This was exemplified by your enthusiasm and commitment.

Again, I want to convey my appreciation to all who were involved in making this year's program a special and meaningful event.

Warmest personal regards.

Sincerely,

Grace Hampton
