High as the listening skies,  
Let it resound loud as the rolling sea.*

***We Won't Stop Here***

... Nothing would be more tragic than to stop at this point. ... We've got to see it through. And when we have our march, you need to be there. If it means leaving work, if it means leaving school -- be there. Be concerned about your brother [and sister]. ... Either we go up together, or we go down together.
