The Martin Luther King Jr. Celebration Planning Committee invites all members of the African American Alumni Organization to participate in this year’s celebration. In keeping with this year’s theme, “Wisdom from the Past … Vision for the Future,” we invite you to share your comments on the enclosed file card on Penn State’s past and its future. These will be featured in a special article or display on how Penn State has evolved into a multicultural University. Please return the file card to the registration desk. If you include your name and phone number or email address, we will check back with you on how we are using your material. If you have questions, call Christy Rambeau in Public Information at 814-865-7517.
